DEDICATION

MR. DWIGHT SOMERVILLE

A determined Mr. Somerville at the Terminal in Cleveland, Ohio. The Shelby Whippet Marching Band played and marched at the Cleveland Stadium for the Cleveland Browns-Detroit Lions Game on September 15, 1957. The Whippets put on quite a show and received many compliments from the patrons at the game.

DEDICATION

We the editors of the 1958 SCARLET S take pride in dedicating this yearbook to an outstanding personality of Shelby's faculty — Mr. Dwight Somerville.

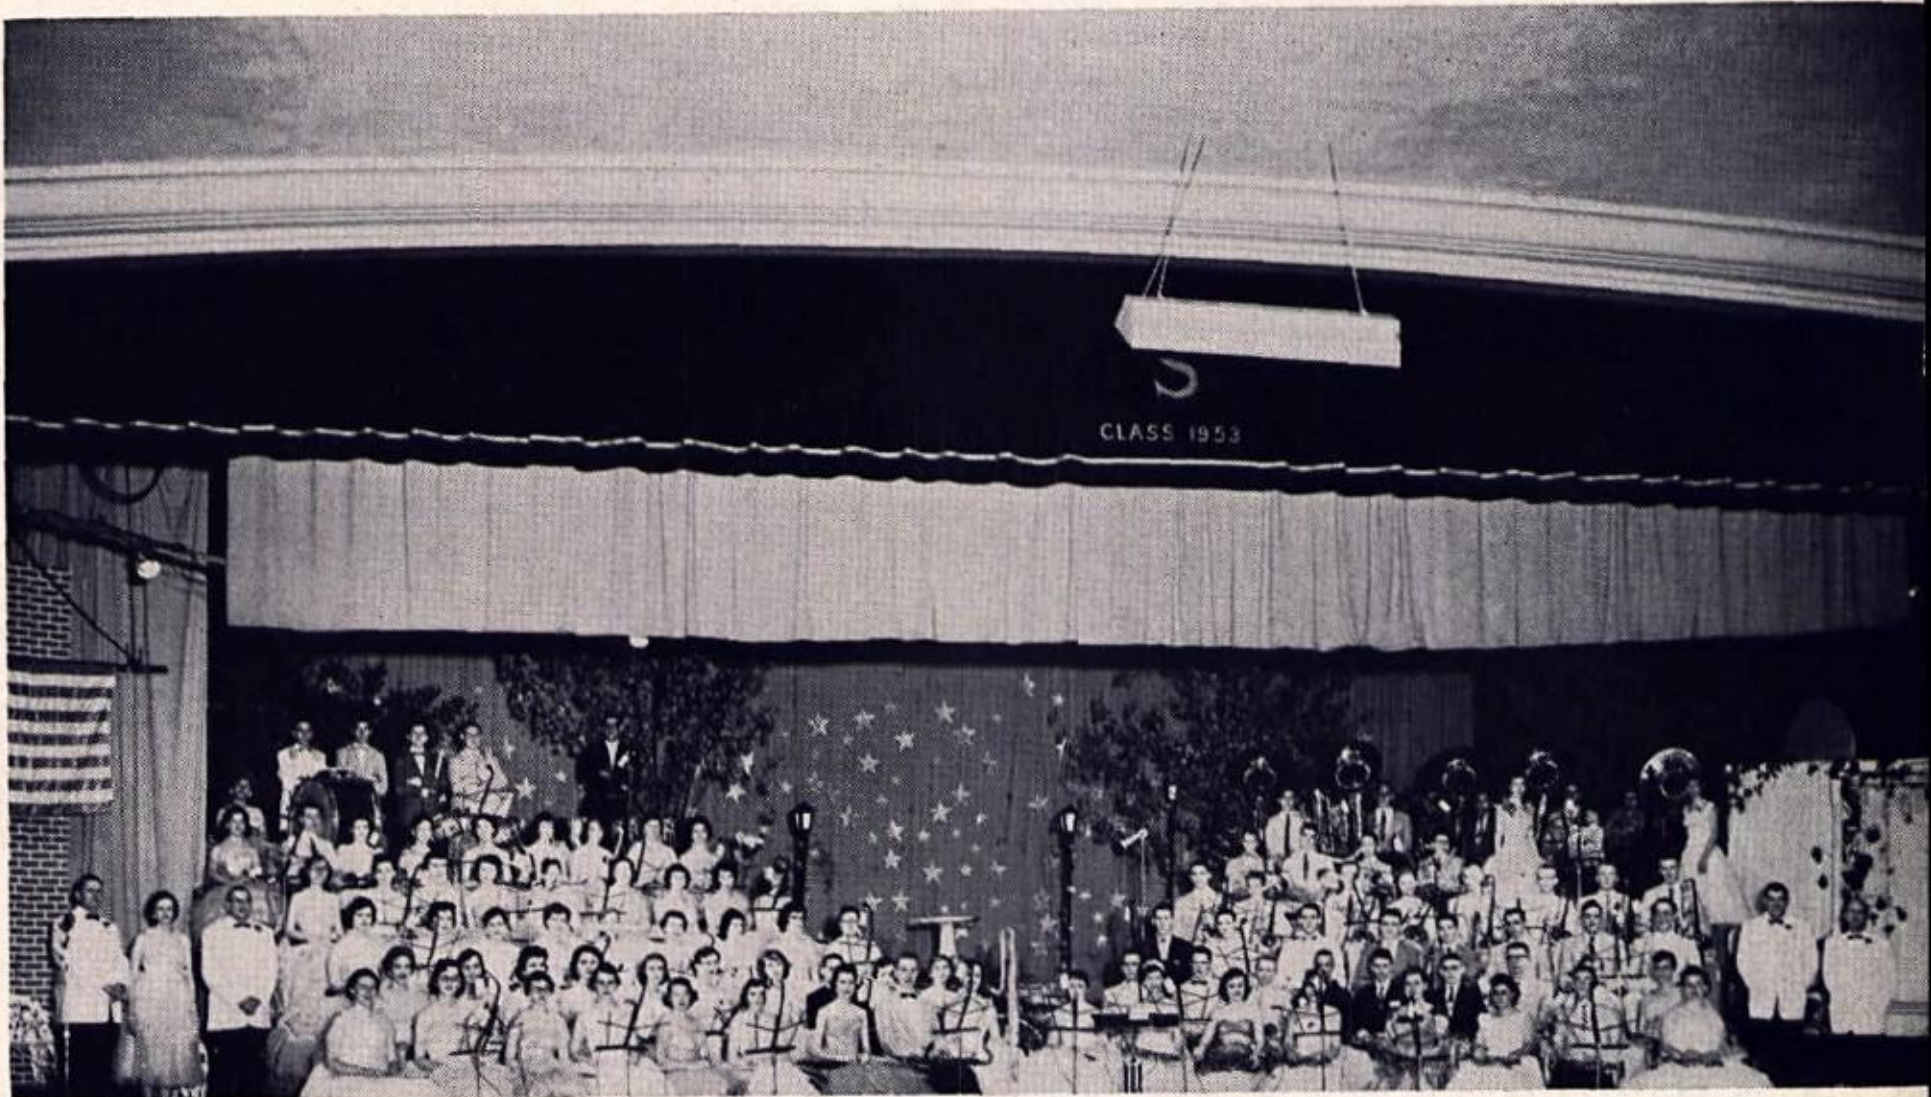

During the past thirteen years, he has led Shelby's musicians to a fine record in marching and concert band performances.

Since coming to Shelby, the band has received eight superior ratings in the district and four superior ratings in state competition. Also during that time, the band has become well known throughout this area as an outstanding marching unit.

Mr. Somerville has received the honor of being one of only two hundred band directors of the entire nation who are members of the American School Band Directors Association.

We join the students of Shelby High in saluting you — Mr. Somerville — for your fine record which we realize has been accomplished through years of faithful and untiring work.

Spring is here! And the Concert Band prepares for the annual spring concert — May 14, 1957 — in the school auditorium.

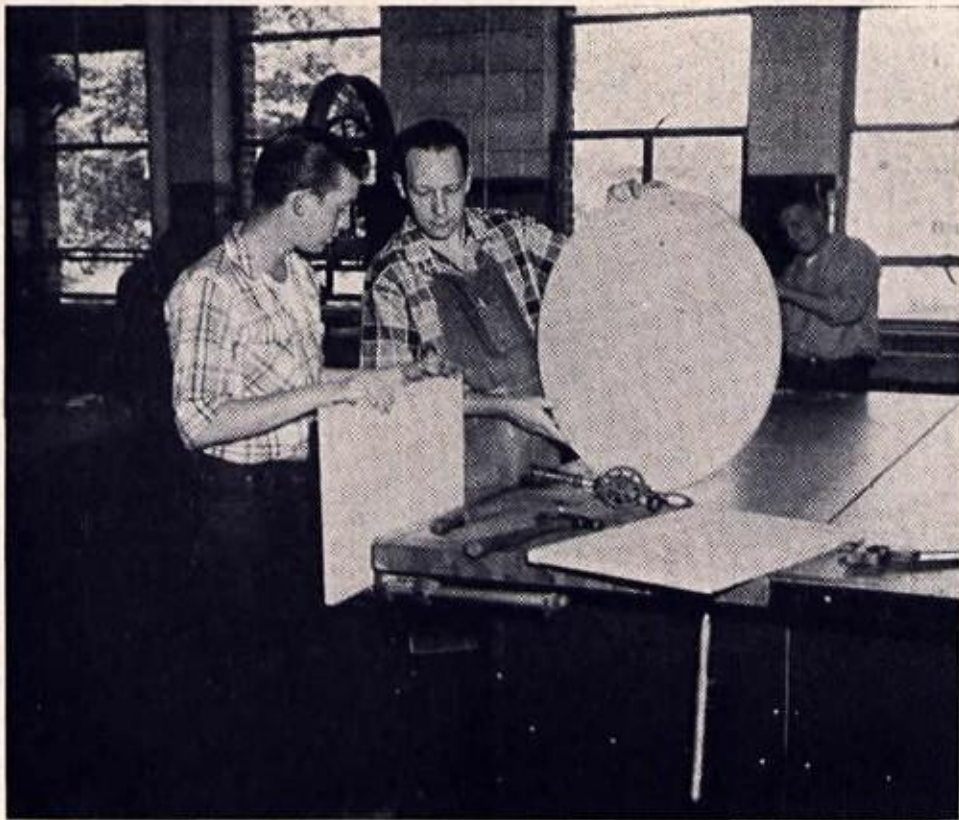

SANTA'S WORKSHOP at the 12th Annual SNOWBALL held on Saturday Evening — December 21, 1957 — at Central Gymnasium. This dance was sponsored by the Hi-Y and Tri-Hi-Y Groups for the benefit of Shelby students and alumni. Over 450 people attended the Snowball this year.

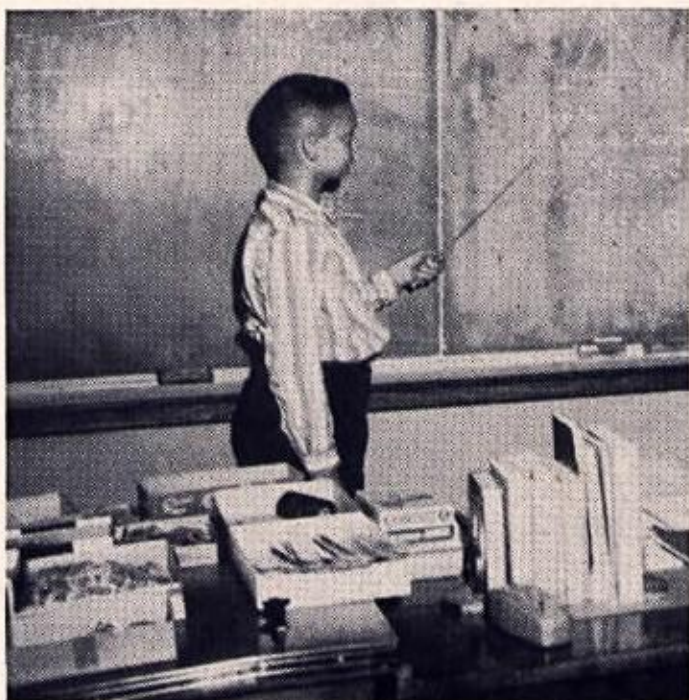

GEOMETRY IN DESIGN IN DANCE AND HOME ECONOMICS

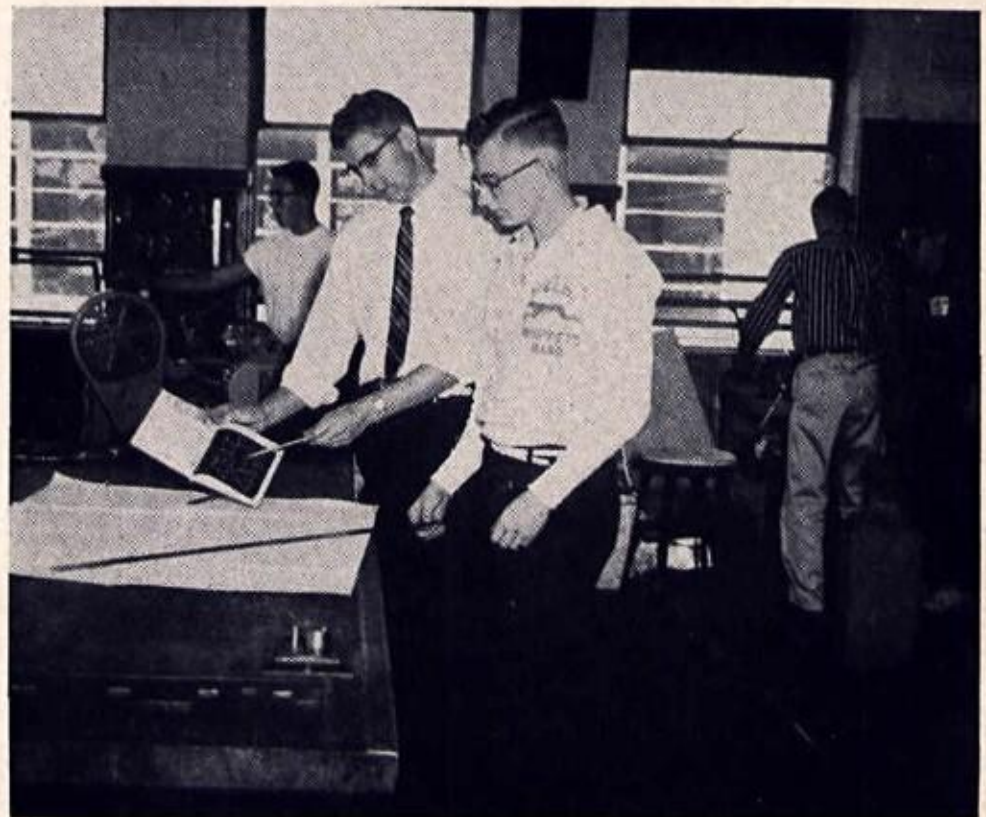

Georgia Smith, a home economics student, is using geometry in cutting dress material around a pattern in the home economics laboratory. Mrs. Joan Mathey, advisor, Miss Ann White, and Miss Anna Howerton look on.

Mr. McMeeken discusses a wood project with Albert Haines. The project is a round coffee table. Drawings, blueprints, and hard work are the ingredients to make this project complete.

Jeffrey Swank explains a geometry problem to the plane geometry class in Miss Stroups' classroom.

Russell Patton discussing a blueprint and drawing with Mr. Mihalic in the Metal Shop.

Miss Betty Crall

HOMECOMING QUEEN

A geometric design in the proper proportions.

"A thing of beauty is a joy forever."

Miss Crall reigned as Homecoming Queen on Friday Night—October 24, 1957—at the Shelby-Willard High School Football Game.

Four complementary "Angles" completed the Homecoming Program.

Foreword

A design in geometrics — this is the theme for the Yearbook of the Class of 1958.

Geometrics are in every phase of one's life — buildings, streets, parks, homes, automobiles, trucks, airplanes, clothes, decorations. Indeed, there are few phases of life that have not at least been influenced by the study of geometry.

Geometry, besides being just a school and college course, actually forms the basis for every facet of modern life. It teaches both its students and the students of life to respect its information and importance.

It is our purpose to show the usefulness of this study in our everyday lives at Shelby High School.

STUDENT COUNCIL

The student body of Shelby High School is best represented in the Student Council, which is composed of a representative from each home-room plus the Sophomore, Junior, and Senior class officers. The Student Council is very active in school affairs the year round. Among these are: conducting school elections, planning all the Homecoming festivities, holding dances twice weekly in the gymnasium (an innovation this year), sponsoring assemblies and the Recognition Day program, and sending flowers at time of bereavement.

One of the Council's largest operations is obtaining advertisements from local merchants and businessmen for football programs, and then selling these programs at each home game. The profit from this sale is used to finance the Council's activities throughout the year.

The officers elected for this year are: Bob Shedenhelm, president; Wayne Jackson, vice-president; Nancy Cooke, secretary; Joy Boor, treasurer. The Student Council and its advisor, Mrs. Yetzer, are to be congratulated for the fine job they do every year.

BOYS' AND GIRLS' STATE

"Attending Girls' State was an experience we shall never forget," say Faye Sipe and Brenda Stock, who represented Shelby last June at Capital University for the 11th session of Girls' State.

"For eight busy days over one thousand girls from every part of Ohio became friends and politicians as we performed our various positions in the mock government. With some of the best and most capable leaders and advisors in Ohio, we learned not only government functionings but also important responsibilities as future women of America. We were drawn closer to our government, our neighbor, and our God. It's a week each girl should be able to live because she would always remember it."

Last summer four Shelby High School boys attended Buckeye Boy's State at Camp Perry. The boys set up a government of their own and had a brief taste of parliamentary procedure. Each boy held some city, county, or state office: Carl Winely, lawyer and a member of the State Patrol; Jim Wildman, City Health Commissioner; Jon Page, Safety Director; Charles Thurman, member of the House of Representatives. Buckeye Boys' State was divided into five countries each consisting of four cities. Entertainment was provided every evening at the auditorium. Guest speakers included Governor C. William O'Neil and last year's governor of Buckeye Boy's State.

THESPIAN CLUB

First row, (left to right): Gloria Sharkey, Karen Seton, Mary Milliron, Barbara Ernst, Sue Ellen Notacher, and Linda Lewis.
Second row, (left to right): Mr. Funk (Advisor), Richard Jones, Charles Thurman, and David Hoover.

The Thespian Club is composed of students interested in drama. Membership is composed of students who have appeared in plays, assisted in the production of plays, aided in the advertising for plays, and assisted in the costumes and make-up for the actors.

Play production was handicapped somewhat this year due to illness of one of the stars. A number of girls had worked for several weeks to prepare for the play *TWELVE ANGRY WOMEN*; only to have the production cancelled at

the last minute due to the serious illness of the leading "lady". The play was rescheduled and was presented in March of this school year.

Mr. Charles Funk is the faculty sponsor for the Thespians. New members are initiated into the club at formal initiation ceremonies which are impressive to say the least.

Members of the Thespians will take part in spring contests in speech and one-act play to be held at several of the colleges and universities.

LIBRARIANS

First row: Miss Luella Kuhn (librarian), Karen Warden, Barbara Fry, Kathleen McCort, and Sharon Copeland.

Second row: Charlotte Winely, Carol Smith, Sandra Alexander, and Susan Robinson.

At the beginning of each school year Miss Luella Kuhn chooses girls to assist her in the library. During each period of the day one girl helps to check in, check out, and find material for the students. The school library has the latest books, magazines, and encyclopedias at the disposal of the students.

SECRETARIES

First row: Jayne Shepherd, Kay Livingston, Janet Frank, Barbara Gundrum, Ann Stevenson, Diana Clabaugh, Karen Wilson, and Dreama Thornton.

Second row: Sharon Sneeringer, Julia Phelps, Bonnie Copeland, and Eileen Baker.

HI-Y

The year 1957-58 was the fourth year of activities for the Shelby Hi-Y. The club was sponsored by the Shelby Family Y. M. C. A. under the direction of Mr. Harry Ter Braak, Y. Secretary, and Mr. James Shepherd, advisor for the club and a director of the senior Y group.

Among the activities sponsored by the Hi-Y were the following: selling pecans, sponsoring dances following the home football games, assisting in the Community Chest drive, and helping in the activities of the Y. M. C. A. Together with the Tri-Hi-Y group they sponsored the "Snowball", a formal dance during the Christmas season.

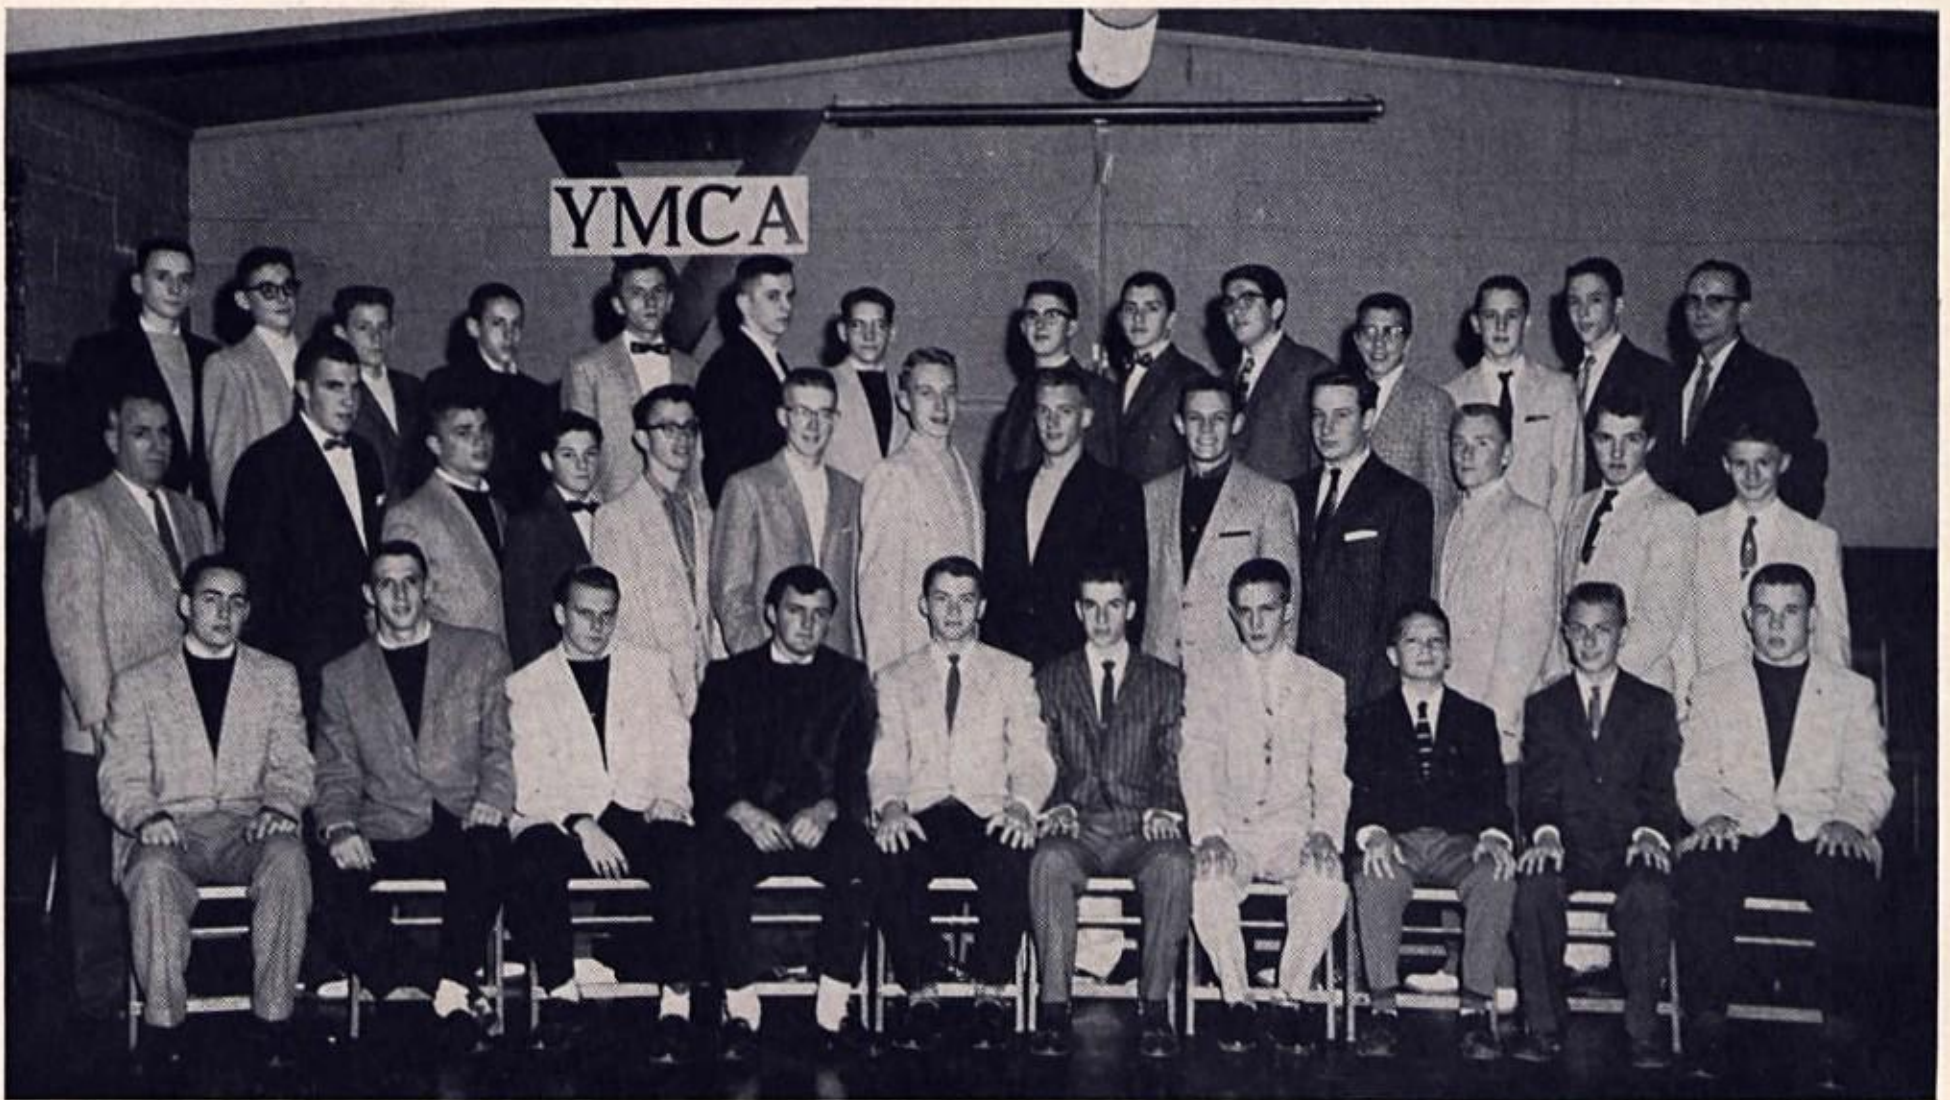

One of the highlights during the regular meet-

ing sessions was a tour of The Mansfield Tire and Rubber Company in Mansfield.

The club had a membership of thirty-eight young men from the sophomore, junior, and senior classes. An induction for the new members was held at The First Methodist Church on Sunday evening, January 26, 1958. Dr. Stanley Shoemaker, minister of the church, was the installation speaker.

BIOLOGY CLUB

The Biology Club, entering its fourth year, holds its meetings regularly once a month under its advisor Miss Harryet Snyder. The regulation for the club is that each member must take a project to District Science Day at Bowling Green and those receiving I's go to the State Contest. All work on these projects must be done at home or before school. Some of the most popular projects are blood study, animal dissections, scientific papers, one-celled animal study, embryology, and bacteriology.

During the year the club had such speakers as local doctors and laboratory technicians. This year special movies on polio and cancer were shown.

Officers of the club are:

USHERS

Each year Mrs. Lillie Berney, advisor for the ushers, chooses four girls from the freshman class to serve for a period of four years. Mrs. Berney instructs the girls in meeting people. The girls are present for all school and outside group activities if requested. Each year the entire group elects one senior girl to serve as head usher.

F. H. A. (FUTURE HOMEMAKERS OF AMERICA)

The Shelby Chapter of the Future Homemakers of America is a chartered unit of the Ohio Association of the F. H. A., which is chartered by the national organization of the Future Homemakers of America. There are two degrees of achievements for active memberships — namely: Junior Homemaker and Chapter Homemaker.

The F. H. A. girls sponsored a bake sale, attended two county rallies, and prepared candy

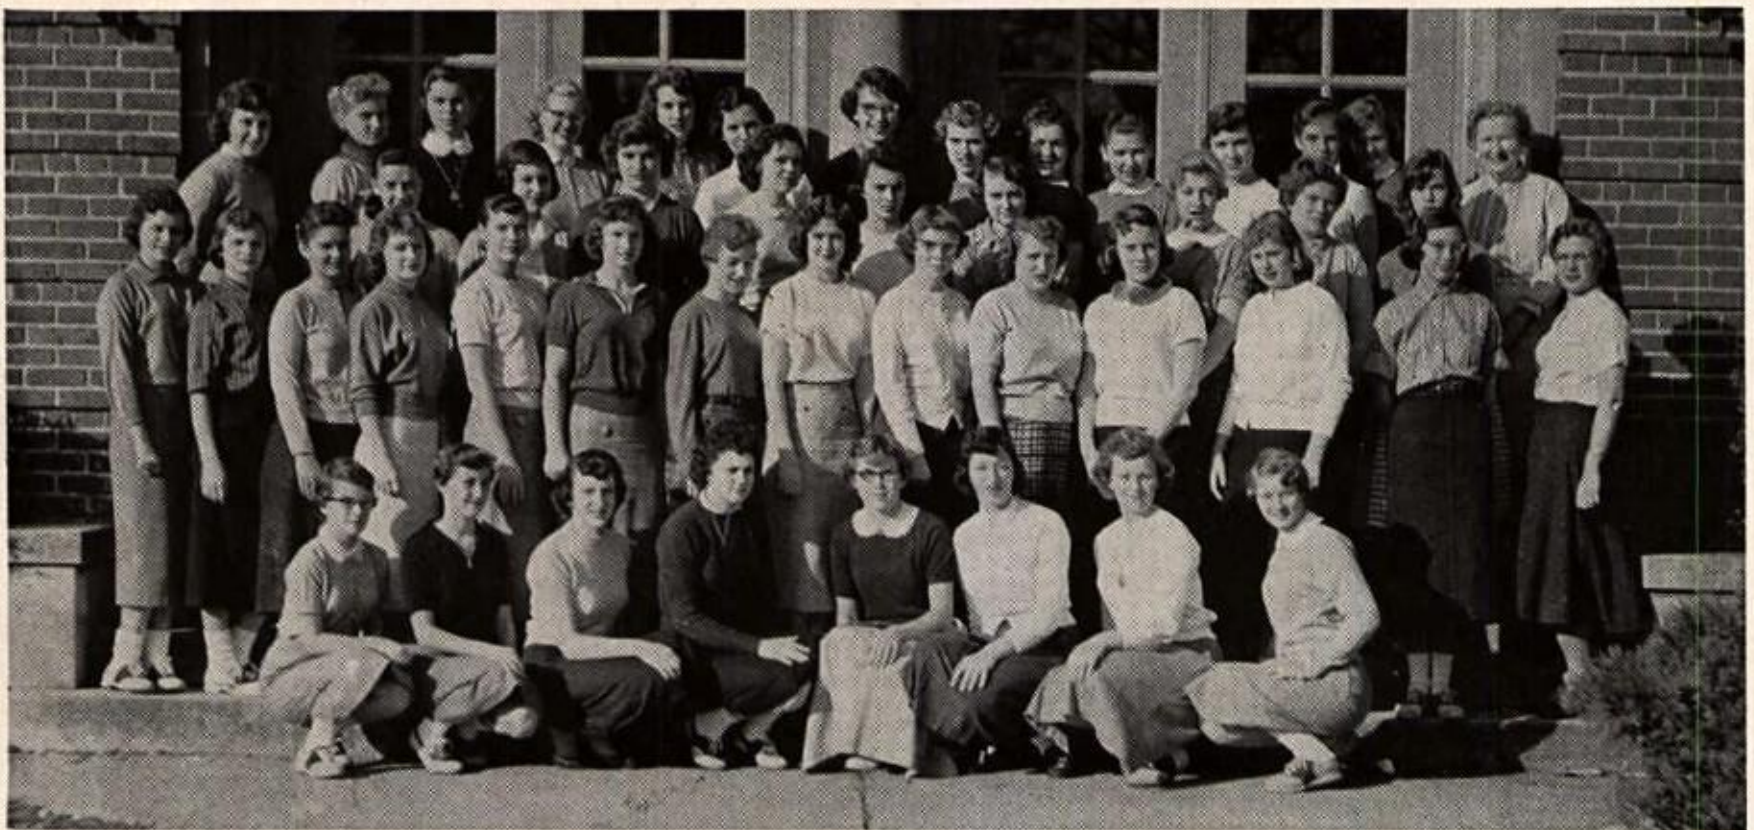

and popcorn balls for noon sales at the school.

Three of the members attended the annual F. H. A. summer camp in August as representatives of the Shelby Chapter. They were Janice Ferrell, Ruth Workman, and Lee Anne Ridenour.

In January the club held a formal initiation in the school cafeteria. New members were formally accepted into the organization. Tea was served at the conclusion of the meeting to the members, their mothers, and guests for the meeting.

F. F. A.

The Shelby F. F. A. was started seven years ago and has a wide variety of yearly activities.

Three boys—Jack White, Dave Young, and Bill Trout — attended the Muskingum State F. F. A. Camp for one week in July.

All members participate in the F. F. A. farming program, which consists of twenty acres located east of Shelby on route 96.

The members of Shelby's team at the Parliamentary Procedure Contest, which was held at Bellville on Nov. 13, were Jack White, Bill Trout, Ed Miller, Charles Bonecutter, James Finnegan, Jerry Kreinbrink, Nick Kreinbrink, Carl Winely, Kenny Barber, and Jerry Fagan.

The team was ranked 1st in the county, and received a gold rating.

A number of boys participate in both the district judging contest and the State Judging Contest held at Ohio State University.

Carl Winely and Jim Finnegan represented Shelby at the District Public Speaking Contest.

The chapter's yearly trips, listed according to the class participating and the season involved, are as follows:

Detroit, Freshman during Christmas

The Shelby Tri-Hi-Y organization was composed of sixty-nine girls from the sophomore, junior, and senior classes. This was the third year of activities for the group.

In cooperation with the Shelby Hi-Y and the Family Y. M. C. A. the club took part in many activities including a project for World Service, working toward an honor club, participating in various youth conferences, and sponsoring the annual "Snowball" at the Christmas season.

This last project was in the form of a formal dance held at the Central Gymnasium on Monday night, December 23. This was truly a gala event and was attended by over two hundred couples.

Last August the newly elected officers of the organization were sent to Camp Nelson Dodd, a Y. M. C. A. camp, for instructions in carrying out the duties of the various offices of the club.

One of the most outstanding organizations in Shelby High is the Whippet Marching Band. Under the direction of Mr. Dwight Somerville this group has made an excellent showing in marching and concert playing.

By intricate marching routines and clever geometric patterns, the band members really captivated the large crowds who came to witness the football contests as well as to see the bands perform.

LEADERS OF THE BAND

Leaders of the Band — truly these seven people are leaders of the Whippet Band in the great marching and geometric formations they make as a unit on the football field every Friday night during the football season. Led by Bud Rinehart, drum major, and Betty Crall, head majorette, the majorettes go through their many dances, routines, and paces in leading the one-hundred piece band marching up and down the field.

Hours of necessary and patient practice are required of these seven students in perfecting their

joint and individual presentations for the games. At the home games they are generally presented in special "black light" scenes before the goal posts at the South end of the field. By performing on a "split second" schedule, they are able to don the special garbs for the "black light" presentations.

Even at times of distress and trouble, the drum major and majorettes present a program at half-times that is a credit to any band and school. Their slogan is to do their best—the show must go on.

Harold (Bud) Rinehart—drum major.

SENIOR CHOIR

As has been the custom of the past, Shelby High School had a very excellent choir during this school year under the direction of Mr. Paul Braden. The choir gave several outstanding concerts and performances during the year with the Christmas program, the Spring Concert, and the Baccalaureate Service as the most outstanding.

For the second consecutive year the choir gave concerts for the elementary school pupils before the Christmas program on December 15.

One of the most enjoyable occasions for the choir members was the annual trip to Tiffin on March 28 for the annual Northern Ohio Choir Festival. Other schools participating were Willard, Bellevue, and Tiffin Columbian.

The peak of the practices for the year was reached on the evening of May 4 when the annual Spring Concert was presented. This program was colorful in that sacred and secular numbers as well as modern numbers were presented for the enjoyment of the audience.

GIRLS' GLEE CLUB

One hundred and thirty girls made up the Girl's Glee Club. This was then divided into two sections. The one meeting fourth period attended the contest in the spring. The section which meets fifth period joined the other for all the programs.

Many long hours are spent in arranging and practicing for the six programs each year. The Thanksgiving Program over the P. A. System has

come to be an annual event. The Christmas Program is given on a Sunday and then re-given later for the student body.

For the past several years the Glee Club has had the privilege of singing at the Community Easter Sun-Rise Service.

Probably the highlight of the season for the girls is the Annual Spring Concert and their appearance at the Commencement Exercises.

Practice sessions — Pep Meetings — Pep Rallies — Games in all kinds of weather — these are just a few of the many responsibilities of the girls who were selected to represent the school as cheerleaders for all athletic contests of the year 1957-1958.

The cheerleaders this year developed new routines and taught the student body new cheers

and yells. At all games they were to be found in their places leading the large groups of people in cheering the Whippets on to VICTORY.

The cheerleaders practiced with the members of the Pep Club at regular rehearsals almost every week during the football season. They also planned the bonfire rally and the Castamba Theatre rally prior to the Shelby-Galion game.

Junior Cheerleaders are chosen by the student body to direct cheer-leading at the reserve football and basketball games. These girls are on hand for all these athletic events and lead the members of the Pep Club and others in yelling for the Whippets.

They have times for practice so that all will be doing the same thing in leading group cheering and also for learning new yells and songs. The above yell may be a new one to Shelby fans at present but the staff of this book offer it as a suggestion for reserve games.

WHIPPET VARSITY FOOTBALL

The Shelby Whippet Football Team opened the 1957 season by defeating Dover High—7-0—in a half-game pre-vue. The Whippets then rolled over their next four opponents including a tough Tiffin Columbian team that was supposed to win the league title.

Due to the flu epidemic, the games with Norwalk and Galion were postponed until later in the season. In place of the Galion game, Shelby played host to the team from Ravenna, Ohio. Shelby lost this game for their first defeat of the season.

The team then smashed Willard 47-0 and

traveled to Upper Sandusky the following week to play one of the better teams in the league and area. The Whippets remained undefeated in league play by scoring 27 points in the third quarter to make their total 40 to Upper's 18.

Little opposition occurred until the Galion game which was played on a Saturday afternoon—November 23. Since neither team had been defeated in league play, the winner would become the N O L Champions. The Whippets were out to win but could not match the superior effort of the Galion club. This second loss in the season made the record for the Whippets at 9 wins and 2 losses.

FOOTBALL AWARDS

The Shelby Junior Chamber of Commerce Awards for the football season of 1957 for the outstanding lineman and back went to Bill Trout and Russell Hepner, respectively. These two young men were graded the highest for the entire season. The grading is done by the football coaches after they review the films after each week's game. This requires several hours for scoring in that each player is graded on every play.

At the annual football banquet which was held this year at Wilkins Depot, Trout and Hepner received trophies. The players who received the J. C. Award each week during the season were given certificates for these games.

The following is a list of players who received certificates and the games in which they were rated very high:

Russell Hepner — Ashland, Bellevue, Tiffin, Norwalk, Madison, and Racenna.

Bill Trout — Galion, Ashland, Bucyrus, Tiffin.

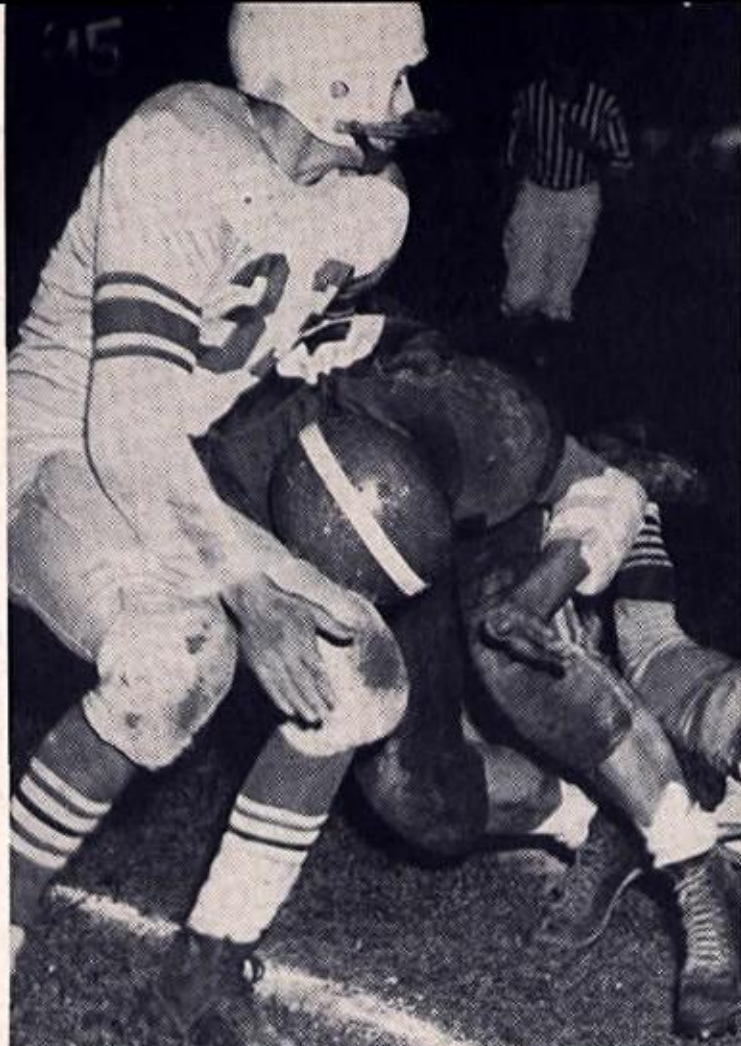

Don Loveless — Galion, Bucyrus, Upper Sandusky, and Willard.

Allen Lutz — Bellevue.

Larry St. John — Willard, Upper Sandusky.

Forrest Metzger — Mansfield Madison.

Carl Winely — Norwalk and Ravenna.

Paul Beck being blocked by Ravenna Linesman.

Russ Hepner being tackled after a long gain.

VARSITY BASKETBALL

During the past several seasons Shelby's basketball teams have taken the N. O. L. Championships. However, this year's team did not fare so well. Those who base their opinions of a team on the season record would probably say that Shelby's basketball team was unsuccessful in the '57-'58 season. But there is something more to be said of a basketball team than its record. A team can play a good brand of basketball and yet lose several close contests. Such was the story of this year's team. Lacking the all-important height factor, this team had to play a brand of basketball based on one hundred per cent effort by each man on the floor. They knew before the season started that this was what was needed and they became determined to do just that. Although as the season progressed there seemed to be reason for discouragement, these men never quit trying. For their fine sportsman-

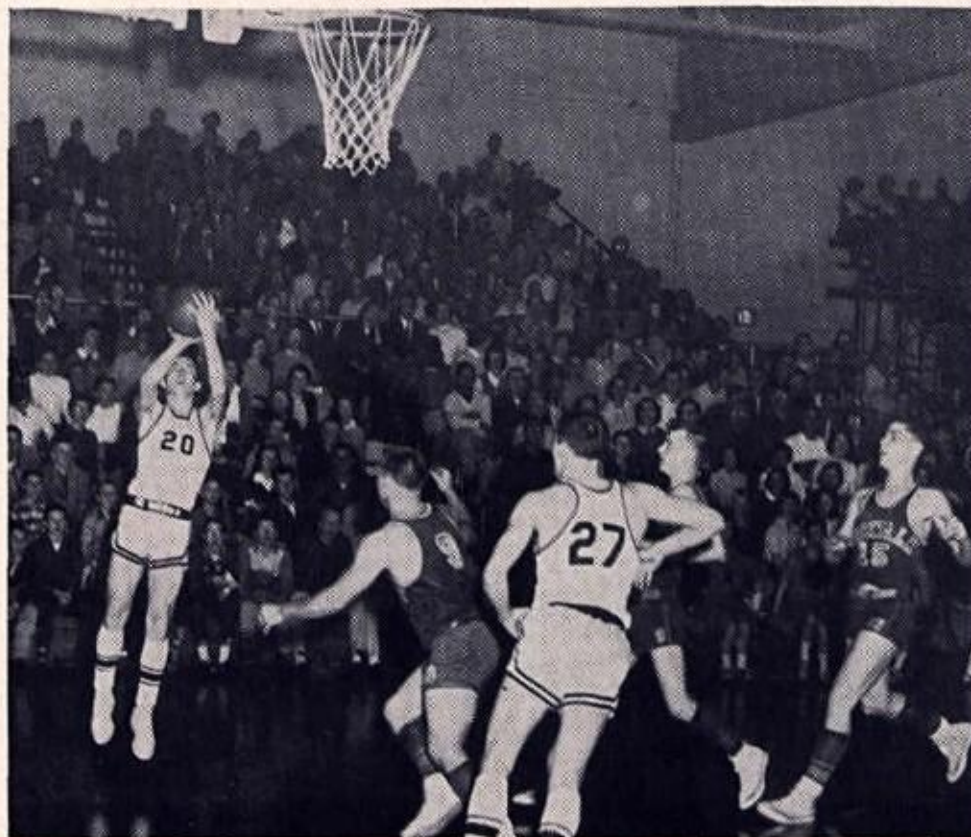

ship and team spirit, Shelby can be justly proud of this year's team. Each player carried Shelby's spirit within himself, never allowing it to grow dim.

Russ Hepner, the N. O. L.'s leading scorer and forward on the all-league team, played aggressive and spirited basketball throughout the season.

Bob Shedenhelm and Larry St. John put forth great effort in the rebound department and out-bounded their much taller opponents in each game.

Lennie Reidel, Don Loveless, Wayne Ingram, and Dave Grove played great basketball throughout the season.

Although the remaining Whippets on the varsity team saw limited action, they gained valuable experience which they will be able to use to good advantage in the next season.

Don Loveless seems to be all alone and in the air as he swishes in another shot.

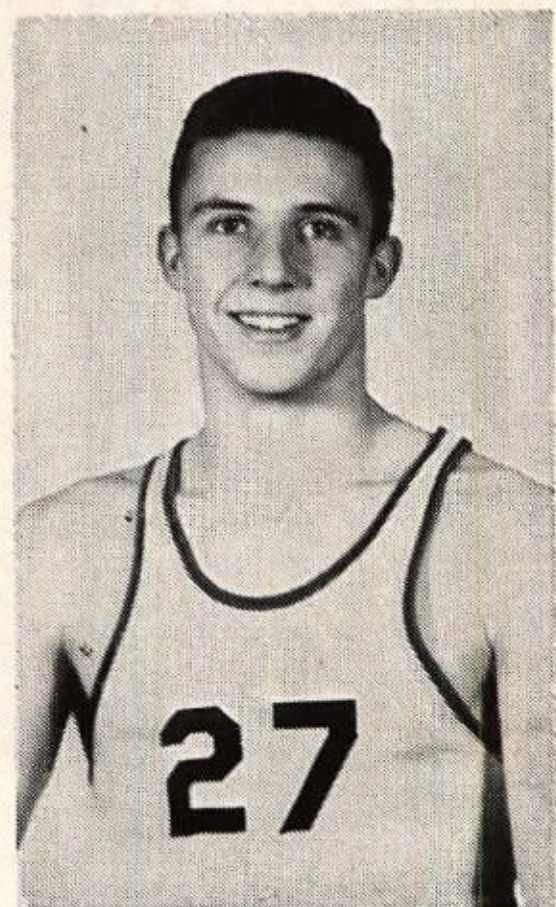

Russ Hepner fires a jump shot through the nets for two points.

SHELBY HIGH ATHLETIC AWARD

RUSSELL HEPNER

Russ Hepner, known as "Sonny" to most people is this year's recipient of the Shelby High Athletic Award. Sonny is an agile, aggressive, half back; a dextrous competitive forward; a sure, self-confident third baseman; and a fast, dash-man (when Coach Williams is not looking).

He received Honorable Mention All-Ohio in football (we will never know why not First Team, N. O. L.), unanimous choice for first team N. O. L. in Basketball — being Shelby's high scorer in football and top league scorer in basketball. Due to his natural athletic abilities, Sonny should go far in college athletics. Several colleges are bidding for his services for 1958 and years thereafter.

The young Whippets then got into step as they trounced their next five opponents. Madison gave Mr. Monn's fine reserve team their second defeat, but the pups went on to win their last two games giving them an 8-2 record.

The purpose of this team is to teach the boys the fundamentals of football. By working as a team, these boys gain invaluable experience and confidence which will enable them to carry on Shelby's fine football record.

This year's team was handicapped by illness—mainly Asiatic flu.

Although the team lost its lone game to Willard 26-6, with Don Hipsher making the score, the season was not so without merit as it might appear to a layman. As any coach, former player, or avid fan will tell you, the experience and sportsmanship learned by these boys will be evident as they continue playing for Shelby High. It is very important to show a boy early all the aspects of football — both good and bad. This serves to weed out those who think the game is all glory and no work, while it also instills spirit

and desire in the boy who likes the game.

In the future, Shelby will surely be proud of this team to the same degree as it is of all its teams. Next year another season, boys!

The Reserve Basketball Team had an eventful and exciting year on the hardwood court. As noticed on the scoreboard, several of the games were won or lost by narrow margins after very exciting games.

Gene George, John Brown, and John Kocher played excellent ball throughout the season and should be outstanding "material" for the varsity for the next basketball season.

All of the members of the team manifested a strong desire to play a good brand of ball and were always willing to add a few extra hours for practice and study.

Coach Copeland was pleased with the record of the team for the season. He deserves congratulations for an interesting reserve basketball season.

VARSIITY TRACK TEAM (1957)

James Fromm, one of the best thinclads from Shelby High was outstanding on last year's Track Team. He not only set two Shelby High records—broad jump—21 feet 2 $\frac{3}{4}$ inches and high hurdles—15.7 seconds—but also was the N. O. L. Champion high hurdler for the second straight year. Jim was a big factor in many of the Shelby team's wins.

Some of the other significant members of the 1957 team and their events were: Larry Baker, who won the League half-mile run for the third straight year; Tom Brown, miler; John Wagoner, low hurdles and relays; Joe Bonecutter, discus and shot put; John Seltzer, pole vault, relays, discus; David Tullis, pole vaulter; Dick Mathews, dashes and relays; John Broderick, high and low hurdles; Eric Morse, mile and 440 yard dash; Larry Siegfried, discus; Alfred Monn, shot put; Paul Beck, 440 yard dash and relays; Bill Zehner, 440 yard dash and relays; Bob Stehling, 440 yard dash and relays; Bob Shedenhelm, pole vaulter; and Larry St. John, 100 yard and 220 yard dashes.

Last year's (1957) varsity track squad added greatly to the initial success of the football team in winning the N. O. L. by making a clean sweep of the Northern Ohio League Meet, the Wooster Night Relays, and the Upper Sandusky Nite Relays — all for the third straight year for 9 trophies in 3 years time.

The Track Squad also made a fine showing in its dual meets by overcoming Galion, 73 to 45; Madison, 87 to 31; Willard 103½ to 14-2/3; and Tiffin, 79 to 39. Its only loss was to a strong Bucyrus team — 74-5/6 to 43-1/6.

The reserve team serves a training ground for young track stars to observe, train, and prepare to take the places of varsity members whenever the time comes. They are just as anxious to make their records as excellent as the 1955, 1956, and 1957 teams of Shelby High.

This year, the WHIPPETTES, donning new uniforms of identical gray skirts, red sweaters, and white collars, inspired the football and basketball teams at the home games as well as those away. They made an attractive "picture" in the new uniforms. An executive committee composed of two girls from each class in school set up rules and regulations for the club, selected the uniforms, and planned the dance that was sponsored by the pep group.

Membership in the group is composed of those girls who are willing to spend hours in rehearsals, attend all the games, and do their part in cheering the teams on to victory. This group serves as excellent encouragement for the teams as well as the cheerleaders for the school.

The WHIPPETTES also appeared at the Marion Coliseum when the Whippet Team played Marion High School in the basketball tournament.

SUPERINTENDENT OF SCHOOLS

Mr. Byron H. Carmean, A.B., M.A.

During the past few years, Mr. Carmean has developed our theme, "A Study in Geometrics," to the utmost. As superintendent of Shelby City Schools, Mr. Carmean has had the foresight to provide for the future progressive education of Shelby students in the most modern facilities. The newest supplement to the Shelby School

System is Dowd's Elementary School, which will be occupied in the fall of the 1958-'59 school term. In the designing and supervision of construction of this school, Mr. Carmean, has planned for further expansion as well as providing for present needs in giving Shelby students the best school-room environment.

Mrs. Vera Kuhn
Secretary to the Superintendent
of Schools

PRINCIPAL

MR. J. E. McCOLLOUGH
B. S., in Education, M. A.
St. Petersburg Jr. College
Ohio State University

When we started in school in Shelby or in other places, Mr. McCollough started at Shelby High School as the principal. We met him as students when we entered this school six years ago as seventh graders. Since that time we have learned to know him, hear his voice daily over the public address system (sometimes face to face to our chagrin), to ask his advice in choice of subjects or assistance in our work, and to respect him. He has proved himself to be a friend to all — one whose goal is to give the best possible education for high school students in Shelby High.

Mrs. Jeanette Will Noble
Secretary to High School Principal
(A bride of a few months.)

HONORING—

Mr. Earl Brissell

Mr. Earl Brissell served the Shelby School system for over thirty years as janitor, custodian, and attendance officer. For the past twenty years he was head custodian and had charge of maintaining the buildings of the city schools. He supervised the work of redecorating, cleaning, and maintaining the buildings which have grown in the more than three decades that he was connected with the schools from three small buildings to four very large modern buildings and one small building for storage. Gymnasiums

and all-purpose rooms were also added to the new buildings and these in themselves offered a challenge to the maintenance crews.

For a short period of time Mr. Brissell also served as attendance officer and "rounded" up the various "stragglers" who "resisted" the offer to attend school.

Mr. Brissell retired on January 1, 1958.

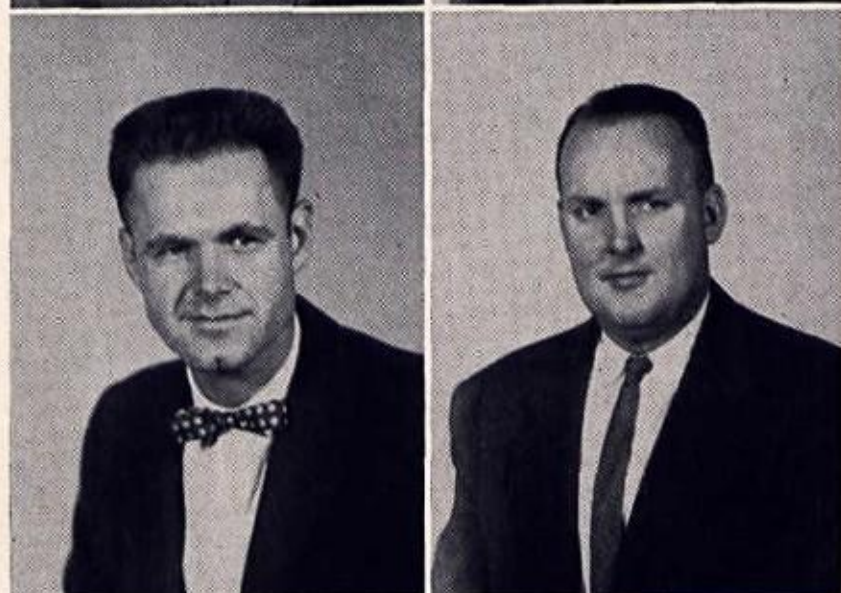

The staff and seniors wish Mr. and Mrs. Brissell many years of happiness in retirement in Florida and in Shelby.

Insurance to fit your needs - - -

as for instance

BURGLARS AREN'T NICE

They take anything they can get their hands on . . . mess up your place . . . do a lot of damage. It may cost you your life if you try to stop them. What you need is insurance to cover both theft and damages. It's better protection than a gun, and safer.

Falls FLATTEN Pocketbooks

Someone falls . . . and may land right on your pocketbook. Juries blame you for injuries suffered by the public while in or around your property. That's just one reason why we suggest you ask us about liability insurance. It can save you a lot of money.
